

How to Add New Success Stories

Please follow the instructions below when adding a new student success story.

Column Guide

1. ID

Every story must have a unique ID.

Examples:

1

2

3

4

5

Important:

- Do not use the same ID twice.
- IDs do not need to be in order.
- The website automatically decides the display order based on Priority.

Example:

ID | Priority

5 | TRUE

20 | TRUE

2 | FALSE

10 | FALSE

The website will show:

5 → 20 → 2 → 10

because Priority stories always appear first.

2. Description

Write a short success story about the student.

Example:

Amanpreet Kaur from Kapurthala successfully got her USA Study Visa after a 2-year gap.

3. Name

Write the student's full name.

Example:

Amanpreet Kaur

4. Visa

Write the visa type.

Examples:

USA Study Visa

USA Tourist Visa

Germany Study Visa

Dubai Pathway Study Visa

5. Location

Write the student's city.

Examples:

Jalandhar

Amritsar

Kapurthala

Ludhiana

6. Initials

Write the first letters of the student's name.

Examples:

AK = Amanpreet Kaur

VB = Vikrant Bawa

PS = Prabhjot Singh

7. Priority

This decides whether the story appears at the top of the website.

Use:

TRUE

for important stories.

Use:

FALSE

for normal stories.

Examples:

TRUE

FALSE

8. Media ID

The value depends on the Type column.

For Videos

Paste ONLY the YouTube Video ID.

Example YouTube Link:

<https://www.youtube.com/watch?v=BRK8i5SzdsK>

Paste only:

BRK8i5SzdsK

Do NOT paste the full YouTube link.

For Images

Upload the image to Cloudinary.

Copy ONLY the Cloudinary Public ID.

Example:

student-visa-approval-2026

Do NOT paste the full Cloudinary URL.

9. Tag

Short text displayed on the card.

Examples:

Real Embassy Experience

2023 Passout

1 Refusal From Canada

2 Refusals From UK

1 Year Study Gap

If no tag is needed, enter:

-
